Aha! The Secret Formula

Mr. Howell, math teacher, is teaching his Senior math students, Ron Fannin, Marvin Heim, Tom Tucker, and Mike Heim, the principles of trigonometry.

"And Here's Where I Live!"

When Mr. Jordon shows his history students, Tom Schuck, Don Dalrymple, and Carolyn Bell, Carthage, they look on with a keen interest.

O What A Beautiful Morning!

As Mrs. Griffin sings and plays, two of the Senior chorus students, Mary Jane Blakenship and Janice Johnson, watch the notes.

Ready Hershel?

Mr. Hopper, our jovial band director, was caught by our photographer in the act of being himself.

"There he is. The one with the toga!"

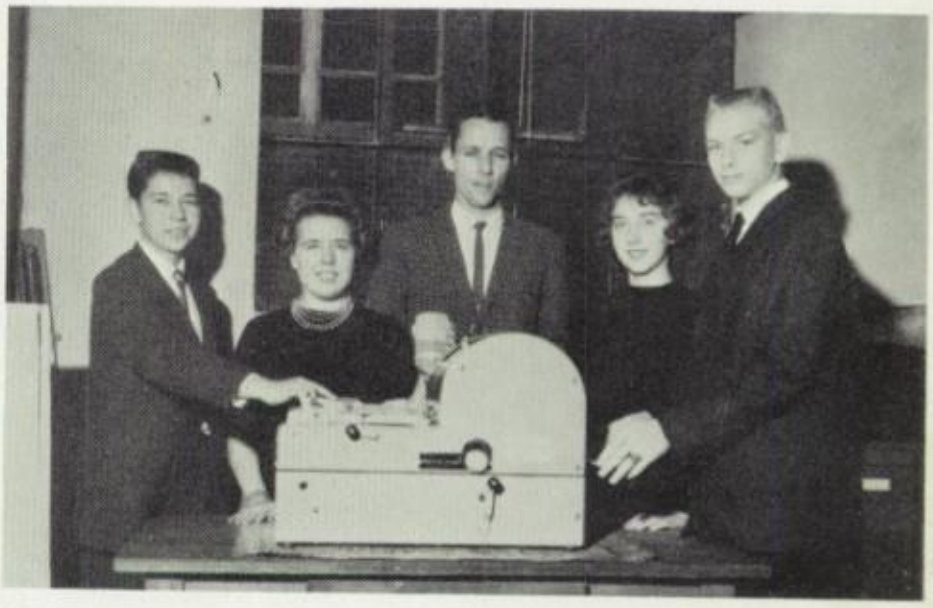
Mrs. Lord is explaining the works of Caesar to her second year Latin students. Pictured are Cathy Geise, Reta Stanley, Sue Siler, Deanna Carroll, and Lou Magee.

Cómo está usted?

Mrs. Ruby is explaining some Spanish words to her Spanish students, Kit Porter, Steve Ellis, Patty McCorkle, and Judy Marsh.

How Do You Work This?

Mr. Mills and four members of the Senior English Class, Ron Fannin, Jeannine Terhune, Pam Hunt, and Richard Robertson, are preparing to run off the school newspaper.



"Wrong Key, Hess!"

Miss Mercer is instructing her typing I students, Lawrence Creswell, Gene Patterson, and Cynthia Pearson, to give up their old way of hunting and pecking.

There's The Trouble!

With the guidance of Mr. Gardner, the drivers education students, Diane Gross, Lynn Kennedy, and Patty Gibson, will surely find the logical reason why it won't start.

I'll Try Again!

Janice West is attempting to thread the needle of her sewing machine under the watchful eye of Mrs. Bieschke.

This Little Piggy Went To Market!

Mr. Wright is explaining livestock judging to Mike Lafuse and Terry Joe Stephens.

Let's Build The House Next!

Seen with Mr. McCloskey, shop instructor, are Senior boys Ron Peacock, Jim Gorman, Rick Henley, and Charlie Mann. They are admiring Jim's shop class project, the table.
